**DETAILS OF EQUIPMENT AND INSTRUMENTS CLINICAL PATHOLOGY**  
**LAB OF HOSPITAL**

S.No.	Instruments and Equipments	Up to Sixty intake capacity
1.	Binocular microscope	Adequate & available
2.	Microscope with oil immersion	Adequate & available
3.	Monocular microscope with oil emersion lens 20(c)	Adequate & available
4.	X-ray view box	Adequate & available
5.	Sahli's Square tube	Adequate & available
6.	Hb pipette	Adequate & available
7.	WBC Pipette	Adequate & available
8.	Dropper	Adequate & available
9.	Red cell pipette	Adequate & available
10.	Improved Neubauer chamber	Adequate & available
11.	Incubator	Adequate & available
12.	Wintrobe's tube	Adequate & available
13.	Pasteur's tube	Adequate & available
14.	Centrifuge Graduated Machine	Adequate & available
15.	Westregrens pipette	Adequate & available
16.	Westergren's stand	Adequate & available
17.	Urinometer	Adequate & available
18.	Autoclave	Adequate & available
19.	Ultraviolet lamp	Adequate & available
20.	Cell counter (haemoautoanalyser)	Adequate & available
21.	BP Apparatus	Adequate & available
22.	Stethoscope	Adequate & available
23.	Thermometer	Adequate & available
24.	Tongue depressor	Adequate & available
25.	Stop watch	Adequate & available
<b>General</b>		
26.	Physical balance	Adequate & available
27.	Hot air Oven	Adequate & available
28.	Bunsen burner	Adequate & available
29.	Refrigerator	Adequate & available
<b>Miscellaneous</b>		
30.	Sterile vessels/ bottle to collect samples	Adequate & available
31.	Torch	Adequate & available
32.	Knee hammer	Adequate & available
33.	Measuring Tape	Adequate & available

34.	ENT examination set	Adequate & available
35.	Reflectors (Mirrors)	Adequate & available
36.	Weighing machine	Adequate & available
37.	Turning Forks	Adequate & available
38.	Nasal speculum	Adequate & available
39.	Laryngoscope	Adequate & available
40.	Catheters	Adequate & available
41.	Probes	Adequate & available
42.	HBs Ag Kit	Adequate & available
43.	HIV kit –Tridot (method by T Mitra)	Adequate & available
44.	CT and BT kit	Adequate & available
45.	Renal profile, LFT kit, Lipid profile, Blood Sugar kit	Adequate & available
46.	Sterile disposable lancer/needle	Adequate & available
47.	Glass rod	Adequate & available
48.	Syringe needle destroyer	Adequate & available
49.	Cover slip	Adequate & available
50.	Cleaned slides	Adequate & available
51.	Litmus paper	Adequate & available
52.	pH indicator paper strips	Adequate & available
53.	Test tube	Adequate & available
54.	Separating funnels of various sizes	Adequate & available
55.	Glass Jars with lid of different sizes	Adequate & available
56.	Capillary Tubes	Adequate & available
57.	Rubber sheet	Adequate & available
58.	Magnifying lens	Adequate & available
59.	Water bath	Adequate & available
60.	Multi stix	Adequate & available
