Dr. K.R.C. Reddy gradually acquired highest degrees BAMS, M.D (Ayu), Ph.D. (Ayu), H.P.A Edu., CLAD (Japan), D.Lit, all these degrees are pertaining to Ayurveda (Rasashastra and Bhaishajya Kalpana) from various Universities of India and Abroad. Dr. Reddy wrote 24 great Ayurveda books in Sanskrit and English. Dr.Reddy have tried to establish Ayurveda in a scientific manner at international level. Few books are referred by students and scholars of BAMS and M.D. (Ayu) because they are presented as per syllabus and also referred by persons working in Ayurvedic Drug Industries. Dr.Reddy also published some of unpublished Ayurveda treatises belongs to 15th AD of ancient Andhra Pradesh such as Parahita Samhita, Vaidyachintamani (big compendium of Ayurveda formulations) which are written in Sanskrit Slokas with Telugu script during 15th A.D. and Dr.Reddy published these treatises Slokas in Devanagari script with English commentary in scientific maner and after its publication by Dr.Reddy these books were circulated all over the world and became base for many research works conducted over the formulations of Vaidyachintamani e.g. Effect of Lodhradi kashaya spray drier powder for the management of Type-2 Diabetes mellitus. Like this Dr.Reddy carried out research on many formulations which are mentioned in Vaidyachintamani for the first time published in English and Sanskrit. Dr.Reddy have published more than 90 research papers in international journals and some of the articles are having good impact factor. These are available on web (i.e. ORCID No-0000-0003-2516-5373 and Research gate etc.). Prof.K.Rama Chandra Reddy is well known for his valuable contribution in the field of Ayurveda pertaining to Ayurvedic Pharmaceutics (Rasashastra and Bhaisajya Kalpana). During the last twenty-seven years he was written on various aspects of Rasashastra and Bhaishajya kalpana Literary, Scientific, Conceptual as well as practical aspects of Ayurvedic drug manufacturing. He is also worked as Research fellow in Japan. He is appointed as subject expert member in T.K.D.L under CSIR, New Delhi. Dr.Reddy also worked as Taskforce member of Ayurveda in T.K.D.L under CSIR, New Delhi. Further from 2018 to March 2020 Dr.Reddy also worked as member of Ayurvedic pharmacopoeia committee- Unani pharmacopoeia committee- Siddha pharmacopoeia committee- Homeopathy pharmacopoeia committee- United states pharmacopoeia committee.

Prof. K. Rama Chandra Reddy
Vice Chancellor (Mahayogi Guru Gorakhnath AYUSH University)
